Service Plan Notes

- You can only claim as a small business if it employs fewer than 20 full time staff or equivalent.
- You must include a Street Number or Lot Number. If these are not available, then you must provide Latitude and Longitude of premises. A travel allowance of 200 kms round trip to installation premises is provided for. Distances in excess of this may incur an additional charge.
- It is your responsibility to have an ethernet port fitted prior to installation. HIT and its installers do not provide ethernet ports. Charges will commence from date of installation regardless of whether or not an ethernet port is fitted.
- Harboursat email accounts are subject to Harbour IT Terms + Conditions (found at www.harboursat.com.au)
- All charges and prices listed are in Australian Dollars and are inclusive of GST unless specified otherwise. The Service comprises an outbound and inbound component for satellite bandwidth and a data allowance for Internet content downloaded. Credit Cards will attract a fee of 2.2% on Mastercard/Bankcard/Visa or 4.4% on Diners/Amex or \$1.10 whichever is the greater.
- The Internet 'Data Allowance' is not transferable from one month to the next. Any unused Data Allowance is forfeited at the end of each month. Excess data charges apply if the Data Allowance (data downloads and uploads) is exceeded in any month.
- I acknowledge that the Harbour IT Terms and Conditions are available on the Harbour IT website at www.harboursat.com.au
